2. Claims 1-18 are pending.

3. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.
4. The application has been amended as follows:

memory interface control blocks, wherein each memory interface control block accesses the pre-diffused memory cells as a different memory type (see specification on page 8, lines 5-7) *in combination with the remaining recited claim limitations.*

8. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
